

Seventh/ Eighth Grade at Veritas Classical Schools

Heroes and martyrs of the Early Church meet the great dictators and kings spanning from the burning of Rome to the Vikings and beyond. The **cultural norms of the historical timeline come alive through engaging literature classics such as *The Dragon and the Raven*, *Sir Gawain and the Green Knight* and *Shadow Spinner***. An introductory survey of the New Testament follows along with the historical study challenging students to deepen their faith. **Composition skills expand to include quality essays and papers**. Logic and a thorough study of grammar and vocabulary create an ACT/SAT preparatory course of study.
