

# First Grade at Veritas Classical Schools

---

Students will sing and memorize their way through history and Bible timelines, travel the Nile and walk beside Moses on the way to The Promised Land. As the students prepare for their journey to second grade **they will master math, grammar, phonics, spelling and traverse engaging historical fiction that ties in with history and Bible and geography.** Critical thinking skills and hands-on projects along with the second day addition of fine arts makes **FIRST GRADE** at Veritas a razor sharp academic year.
