

# Second Grade at Veritas Classical Schools

---

We journey to Greece and Rome, study Joshua to Judges and round out our academics with **math, grammar, spelling, vocabulary, fine arts, science, phonics, spelling, handwriting and critical thinking.** Students will sing, create hands-on projects in history and Bible, increase their vocabulary, improve their spelling and work on math facts building a great foundation for third grade. Along the way, **engaging tutors will make education come alive in a multi-sensory, proven curriculum.**
